Savings Plus is the name of the 401(k) Plan and 457 Plan available to most State employees.

Savings Plus also Administers the State of California Alternate Retirement Program (**ARP**) that certain State employees are automatically enrolled in for their first two years of State employment.

Savings Plus also Administers the Part-time, Seasonal, and Temporary Retirement Program (PST) which provides mandatory retirement benefits to State employees and California State University employees who aren't covered by a retirement system.
